## PLAN A SERVICE PROJECT:

Volunteer as a group at a local organization such as Feed My Starving Children, Bridging, etc. Or, browse EBC's Needs Board online and see if your group is able to help someone out. Be creative! Volunteer as a group to do yard work for a family in need for one year. Consider going on a short-term missions trip together. There are so many volunteer opportunities out there—do some research on it and then plan one.

## PLAN A SOCIAL GATHERING

Plan a time for your group to get together outside of your regular meeting time! Go out to dinner, have a game night at someone's house, plan a weekend retreat, do a family activity where kids are welcome, go bowling, etc.
